**Where:** JampersandK  
208 Ridgeway Road  
Wyncote, PA

**Questions?** Call (215) 886 – 3529  
or email Kathy: kedgiacol@alum.swarthmore.edu

***Bring a dish to share, musical instruments, dance shoes, games, etc.***

We ask that outdoor shoes be checked at the front door, so please also bring whatever you need to keep your tootsies warm (ghillies, for example...you might even have the energy to dance in them).

*Ridgeway Rd is a private, dead-end street and JampersandK is the last house on it*

Driving directions (OR ... Take the train!\*):

*From South* Take I-476 north to the PA turnpike East. Exit the Turnpike onto 309 South. Take 309 South to where it quits being limited access and becomes Ogontz Ave (last exit before this is Paper Mill Rd). At the very first traffic light you come to, turn left onto Greenwood Ave. You will come immediately to a traffic light where Greenwood and Longfellow intersect and Rices Mill Rd shoots off slightly left of straight ahead. Take Rices Mill Rd; go straight at the light at Church Rd and then right onto Waverly Rd at 4-way stop. Go straight at the first stop sign and then turn left onto Ridgeway Rd.

*From North* (1) Get to 309 south and follow the directions above, or (2) Take Susquehanna Rd east to Limekiln Pike (152) south. At the Twining Rd light, bear (slightly) left to follow Jenkintown Rd, rather than staying with 152. Stay on Jenkintown Rd past Edge Hill Rd (traffic light). The 3rd right after Edge Hill is Keswick Ave (no light) - turn right onto

Keswick and follow it across Easton Rd and through Keswick Village (bear right at the traffic circle) and when you come to Glenside Ave (after going under the train tracks), turn left. Go straight through one light and then turn right at the 4-way stop onto Waverly Rd. Take the first right onto Ridgeway Rd.

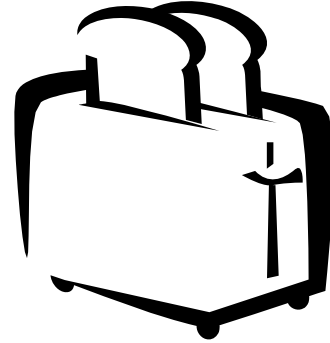

\* We are walking distance from the Jenkintown-Wyncote SEPTA station, which serves the R1, R2, R3, and R5. When you get off of the train, go under the tracks (if you're coming from the city), and then walk straight away from (rather than along) them. As you pass the ticket office/restaurant building (on your right) and step into the parking lot, you'll see a little park straight ahead of you and steps leading down into it. On the other side of the park, and up an incline, is Glenside Ave. Go into the park and bear right, following the path across the little creek and then along it. When the path forks, bear left and go up the steps and this will put you onto Glenside Ave. Turn right and walk along Glenside to the stop sign, which is Waverly Rd. Turn left and walk along Waverly until the first street on the right, which is Ridgeway and then walk down it to our house. This is about a 10-12 minute walk
