

Lending your body to  
a hospital for 30 days  
of tests: \$3000

Maxing out credit  
cards: \$2000

Begging: \$2000

Making a movie with  
this much bloodshed  
for only \$7000...

Priceless.

Well, what else are you gonna do if you  
find a guitar case full of guns?
