

You'd be scared too if you'd seen  
his handiwork.

In fact, you *will* be scared.

Probably won't make it through  
the credit sequence.

Ummm...  
can't think of anything funny.

Don't watch this movie.  
It's fucked up.

Honestly, you **don't** want to see what this guy does with his life.

No, really.

Don't say we didn't warn you...

It's kinda like if the  
Mighty Morphin Power Rangers  
had *really* messed-up childhoods
