

“culturally mediated (a)sexuality” thought questions

1. am i a sexual being? (“i don’t know” is an acceptable answer.)
if so, in what ways or how do i manifest it or want to manifest it?

2. how are those ways the same as the brainstorm list that we made?

3. how are they different?

4. what do i like about what i said in (2) and (3)?
