Everyone was shocked in the barnyard  
Though it's happened many times before  
Every time you pray will be the last time  
But it happens more and more

Of course the saddest part is the chicks they leave behind  
Their time with their mothers was so brief  
But their new coop is lovely, and the checks were all signed  
By the Foxes' Fund for Henhouse Relief

Let's have a round of applause! Let's clap our wings and our claws  
For our benefactors with the pointed teeth  
They'll be safe in there, you see  
The foxes have the only key  
It's the Foxes' Fund for Henhouse Relief

It's so nice of them to care  
Do you have ten bucks to spare
