*Chords (bridge):*    *F - C - | F C G C | F - C - | F C G C |*

*Verse:*

Slide rule, calculator, microchip  
Railroad, superhighway, three-masted ship  
Hand saw, power saw, robotic arm  
Round-Up, cotton gin, the family farm

*Chorus 1:*

When we build the robot waiter  
We'll all have less work to do  
Maybe I'll go to the seashore  
Maybe I'll write a book review  
But the fruits of robot labor  
Still belong to me and you,  
Still belong to me and you, me and you, me and you

*Verse (repeats)*

*Chorus 2:*

When we build the robot grocery  
We'll all have less work to do  
Maybe I'll learn to speak Spanish  
Maybe I'll play a lot of Clue  
But the fruits of robot labor  
Still belong to me and you,  
Still belong to me and you, me and you, me and you

*Bridge:*

We can manufacture more  
With less work than e'er before  
Yes the world is getting richer  
Most of us are getting poor

*Chorus 3:*

When we build the robot city  
We'll all have less work to do  
Maybe I'll hang out with the neighbors  
Maybe I'll hang out with you  
But the fruits of robot labor  
Still belong to me and you,  
Still belong to me and you, me and you, me and you
